COUNSELOR'S CORNER

Another school year is underway and we've made it through the first quarter! It's great to see all the kiddoes again after the summer break. I'll be in classrooms twice a month for classroom counseling lessons. In September we focused on setting goals and accomplishments. In October we're talking about bullying prevention and making healthy choices. November will be dealing with feelings like fear and anger, and some conflict resolution skills. If you have questions or concerns, please feel free to contact me at Garfield or by email (lstine@vikingnet.net)
